

Indiana Department of Education
Web 2.0 Presentation
Thursday, June 30, 2011

What is Web 2.0?

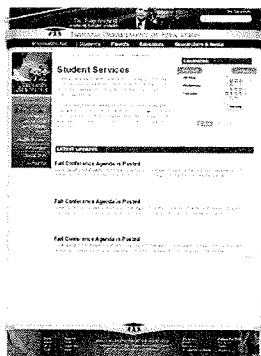

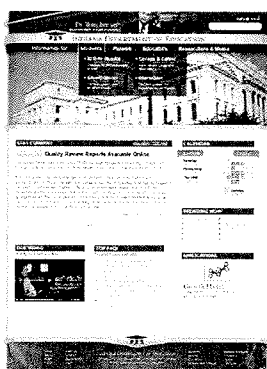

- Revamp of IDOE's internet presence across all platforms.
- Attempt to provide necessary resources to all stakeholders.
- Effort to better understand the needs of IDOE's information consumers and adjust tools to meet those needs.

Multi-Tiered Web Presence

- WWW.DOE.IN.GOV
- The Learning Connection

DOE.IN.GOV

- Target audience: the general public.
- Built with the latest design principals in mind.
- Built after listening to user feedback.
- Focus on making sure sight is clean, clear and concise.
- Greater access to multi-media opportunities.

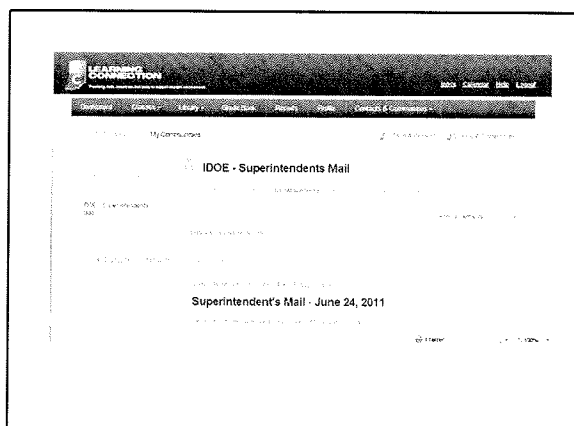

The Learning Connection

- Target audience: educators.
- Benefits: The Learning Connection is an interactive **social networking tool** that allows greater flexibility for IDOE staff and educators to work together to drive student success.
- All IDOE departments will have a Learning Connection presence.

Superintendents Mail

- This upcoming school year Superintendents Mail will have it's own Learning Connection Community.
- Community members will receive updates when new content is added to the site.

Superintendent's Mail - June 24, 2011
